What to read before heading to the Caribbean

by Concepcion De Leon, *The New York Times*

As the Caribbean recovers from a devastating hurricane season, here are three books by writers from the region that tackle the culture and resilience of the people of Grenada, Haiti and the West Indies. — "LADY IN A BOAT" By Merle Collins 95 pages. Peepal Tree Press. (2003) In this book of poetry, Collins...

How sheep with cameras got some tiny islands onto Google Street View

by Karin Brulliard, *The Washington Post*

The Faroe Islands, a remote archipelago that juts out of the cold seas between Norway and Iceland, doesn't even appear on some world maps. But as of last week, the verdant slopes, rocky hiking trails and few roads of the 18 islands are on Google Street View - and a team of camera-toting sheep helped get them there. When the islands' tourism board...

'Primal Survivor' host brings home insights on indigenous ways around the globe

by Rich Landers, *The Spokesman Review* (Spokane, Wash.)

SPOKANE, Wash. — Most people will need a few Google searches to peg where Hazen Audel has survived the elements in 2017. But while Namibia and Siberut are off the beaten path, the host of “Primal Survivor” is home in Spokane now, recuperating after filming his third season of the series that puts him into uncomfortable situations...

TripAdvisor, under fire for removing claims of rape, will now flag hotels with reported incidents

by Marwa Eltagouri, Rachel Siegel, *The Washington Post*

In response to widespread criticism for removing claims of sexual assault from its forums to keep them “family friendly,” TripAdvisor has started placing warning symbols - or “badges” - on the review pages of hotels and businesses where rape and other safety incidents have been reported. The travel and restaurant review website...

Plenty of sunshine for Caribbean travelers

by Elaine Glusac, *The New York Times*

Hurricanes Irma and Maria devastated many islands in the Caribbean region, including Puerto Rico, the British and U.S. Virgin Islands, Dominica and St. Martin. They also battered Anguilla, St. Barts, the Turks and Caicos and others. But many islands, including Aruba, Bonaire and Curaçao in the southern Caribbean, and the central Cayman...
